

K-Love (local 88.9 FM) has been a great service to me since I started listening over 2 years ago. I belong to a church of over 1400 people, and the majority of them listen to K-Love. We play it at church gatherings, and the college kids say it is their favorite station. It would be a tragedy to lose k-love in Wilmington!

K-Love is inspiring and is responsible for bringing many people to God, as well as helping many like me maintain my walk.

I, personally, would greatly miss K-Love if it were taken away from us here in Wilmington, NC!
